5th Annual

Tea with SOUL

Sponsorship Opportunities

Sanctuary of Unborn Life endeavors to create a safe haven that provides emotional support and spiritual encouragement, as well as life management counseling, career skills, and financial assistance for expectant mothers.

Tea with SOUL is our annual fundraising banquet where guests hear a client story and learn more about how SOUL helps pregnant women and new mothers in need.

Through donor-support, SOUL has so far provided:
- 356 individual mentoring support sessions
- 19 classes in budgeting and healthy relationships
- 85 SOUL Sisters peer support group Bible study meetings
- 15 baby showers for women in unplanned pregnancies
- 8 families with financial assistance for housing stability

Business, church, and individual sponsors of Tea with SOUL help to cover event expenses so the funds raised directly benefit SOUL's mission. We hope you'll consider supporting SOUL in this important way!
