

7th Annual

Tea with SOUL

Sponsorship Opportunities

Sanctuary of Unborn Life is empowering new moms, one SOUL at a time, to be a sanctuary for their children.

Through donor-support, SOUL has so far provided:

- 1,700+ mentoring support sessions & peer support to 130+ moms
- 1,280+ women with supplies to empower their motherhood
- 100+ life skills course to facilitate family stability
- 45+ pregnant and new moms (and 80+ children) families with financial assistance to prevent or end homelessness.
- The first maternity home for adults in the Lowcountry

Tea with SOUL is our annual fundraising banquet. Business, church, and individual sponsors of Tea with SOUL help to cover event expenses so the funds raised directly benefit SOUL's mission. We hope you'll consider supporting SOUL in this important way!
