## SOUL Non-profit Ministry Statement

SOUL endeavors to provide a safe haven, emotional support and spiritual encouragement, as well as financial assistance, job training, and life management counseling for expectant mothers and their unborn babies.

*SOUL is a pro-life, faith-based, non-profit ministry. We empower women to choose life for their unborn child through stable housing, resources, connection, and mentorship.*

### Statement of Faith:

We believe there is one God of the universe who created the world and above Him there is no other.

We believe in one Triune God – the Father, Son Jesus Christ, and Holy Spirit.

We believe Jesus Christ is the manifestation of God in the flesh.

We believe that Jesus was born of a virgin, lived a sinless life, and died on the cross.

We believe Jesus was physically resurrected from the dead and ascended to heaven.

We believe that man is sinful by nature and cannot save himself.

We believe God's remedy for sin is entirely through grace and faith in Jesus Christ as the only payment for sin.

We believe that those who trust in Christ's death and resurrection will live with Him eternally.

We believe that those who reject Christ will live in eternal punishment.

We believe that a true believer is secure in Christ and is called to live a holy life.

We believe the Bible is the inspired, infallible, inerrant, literal Word of God as given to man.
